

Function First Pediatrics Inc.

is seeking a

Psychologist (chartered or provisional) or a Behavioral Consultant

to join our team

on October 1st, 2018. This position is a one-year maternity leave with a great possibility of becoming permanent

Why Consider this Position:

- Function First Pediatrics is the only multidisciplinary private practice north of Edmonton and is constantly growing.
- Grande Prairie is a vibrant and economically stable city with a young population and many activities to do.
- This job offers flexibility, a fun and enthusiastic team and a feeling of fulfillment.
- Function First Pediatrics strives to support its employees to meet their professional goals.

Duties:

- Work within a Family Centered model in homes and in a clinic setting.
- Support children with behavioral, emotional and/or cognitive concerns and their caregivers.
- Provide educational, cognitive, and behavioral assessments, treatment and consultation services to our pediatric caseload.
- Consult and recommend strategies to support family needs.
- Provide direct therapy using a play-based approach.
- Develop goals and strategies in collaboration with other team members based on family priorities.
- Build capacity in families and supervise assistants who carry out programming.
- Track and report on progress.

Qualifications:

- Master's degree in Psychology or Bachelor of Arts or Bachelor of Science with concentration in Psychology.
- The successful psychology applicant must be registered with the College of Alberta Psychologists.

- Highly professional, energetic, friendly and motivated.
- Interested in advancing their skills in working with children with a variety of special needs.
- Has knowledge/interest in Autism, ADHD, Anxiety, and other common disorders.
- Works independently.
- Has excellent oral and written communication skills.
- Current Criminal Record and Child Welfare check.
- Possess a valid driver's license, access to a vehicle and be willing to travel.
- Enjoy a flexible schedule, professional learning opportunities and an excellent reimbursement package.

Salary:

- We offer a very competitive salary and benefit package.
- Financially supported professional learning opportunities.
- Relocation expenses.
